Description

Free Online Anti terrorism training for Faith Groups

This training is very interesting and could be very useful to you or your leaders.

It is online, only takes 45 minutes and is **free of charge**.

We have registered and you can login and use, you obviously just require the login details and password, all the details are below.

You and your staff will need to use the following unique website address or unique PIN each time you access the course. **Our staff should not select the individual learner option**; this is to ensure that we can provide you with accurate data for your organisation's usage should you request it.

Once you click on checkout you will be provided with the website and the PIN number within minutes of placing your order.
