Prayer Bulletin

March 2016

Dear Prayer Supporter,

"Let us then with confidence draw near to the throne of grace, that we may receive mercy and find grace and help in time of need." Hebrews 4:16

Prayer points:

- This month please join with us in praying for the Reverent Jim Carson and his family as they move from St Paul's Parish to the Belfast Parishes of St Michael and St Stephen and St Luke. We pray that this would be a smooth transition for them and that God would bless their ministry there. We thank God for the support that Reverend Carson has given to the CLCGB company in St Paul's over recent years.
- This month we have a CLCGB display in the Armagh county museum, please pray that children and families who come into this display would enjoy it but would also grasp the meaning of our mission of extending the Kingdom of Christ.
- Please pray for those who are attending and taking part in the Regimental service and parade. We pray for safety of travel and for confidence for those who are doing readings or prayers.
- Please pray for our groups who are struggling to find enough leaders to run their company. We pray that God would encourage them and would bring people forward to serve him in this way.
- We pray for all of our Parishes who are carrying out Easter services, we pray for guidance for those who are leading these services and also for those who are attending that they would leave blessed by the assurance of what Jesus has done of them.
- We pray for all of our sports competitions this month, for safety and fun for all of those who are involved.
- Please pray for our groups as they prepare for their parent's nights and displays, we pray that they would still be able to enjoy Brigade at a time which can become stressful..
- Most importantly please continue to pray that Jesus' name would be glorified through the work of the CLCGB and that through our organisation, children and young people would come to know him for the first time.
