## Prayer Bulletin

May 2016

**Dear Prayer Supporter,**

“Be anxious for nothing, but in everything, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus. “ Philippians 4:6-7

### **Prayer points:**

- This month as most of our companies draw to a close for the summer please join us in thanking God for the hard work of our dedicated leaders throughout the year. We pray that they would have a good rest over the summer. We also thank God for a great year with the children and pray that the seeds of faith that have been planted in their hearts throughout this year would continue to grow.
- While our companies are finishing for the summer, many of our seniors will continue on with Duke of Edinburgh work and expeditions. Please pray for their health and safety during these expeditions. We also pray that they will make many memories and lifelong friends through this experience.
- Please remember Sivia, our finance officer in National Headquarters who has been unwell and also her husband , Malcolm, as he recovers and readjusts to life after undergoing recent surgery.
- Please also pray for those officers and helpers who have had accidents and operations over the past month, that they would recover well and be back to full health soon.
- The CLCGB display in the Armagh county museum is continuing this month and into June, please pray that children and families who come into this display would enjoy it but would also grasp the meaning of our mission of extending the Kingdom of Christ.
- This month we look forward to our Regimental Athletics at Antrim Forum. Please pray for safety and fun for all of the children and leaders who come along.
- Please pray for our P7 members and their families who will be finding out their allocated secondary schools this month, we pray that they would know very clearly that God has a plan for their lives and that they would have peace as they consider this move.
- We also ask you to join us in praying for our members who are undertaking GCSE and A Level examinations this month. We pray that they would not become overwhelmed at what can be a very stressful time. We also pray for their families as they support and encourage them.
- Most importantly please continue to pray that Jesus’ name would be glorified through the work of the CLCGB and that through our organisation, children and young people would come to know him for the first time.
